Workshops:

1988 June 26- July 5: Research Methodology, SBUMS

1991 May 11-14: Research Methodology, Guilan Medical Science University in Iran

1992 Sept. 7-10: Int. Family Planning Research, Isfahan in Iran

1993 Aug. 21-24: Int. Epidemiology of reproductive health in Karaj, Pasteur Institute in Iran.

1993 Feb. 8-9: Clinical Assessment, SBUMS, Education development

1998 April 25: Teaching technology, SBUMS, Tehran

1999 March 3-4: How to write a paper, SBUMS, Tehran.

1999 May: Study guide, Reform, SBUMS, Tehran

1999 May, PBL teaching reform, technology, SBUMS, Tehran.

1999 July 9: Study guide by active participation, Education Reform, SBUMS, Tehran

2000 Jan 28: Evidence based medicine, SBUMS, Tehran

2001 July 17-8, Control of Tuberculosis by Dots Strategy, SBUMS, Tehran

2001 Oct 4-4: Mother and neonatal care, SBUMS, Undersecretary for health, Tehran

2004 November 23-24: Endoscopes Surgery in Gynecology, SBUMS, Tehran

2005 Feb 2: Power Point, SBUMS, Tehran

2005 Sept 4-5: Workshop of Trans- Vaginal Endoscopies, Royan, Iran.

2005 Sept. 6: Workshop of PGD, Royan, Iran.;

2006 February 20, workshop of SPSS, Taleghani Hospital Tehran Iran

2007 Oct 17, novasure, ablation of endometrium Taleghani Hospital Tehran Iran

2008 Jan 28, Obesity prevention and treatment, End&Metabolism Ins, SBUMS, Tehran

2012 Feb: introduction of new technology of endometrial ablation; farmanieh hospital, Tehran, Iran

Research Projects:

Conducting projects in the field of reproductive health:

Safety and efficacy of norplant in Iran: Under secretary for research affairs MOH, IR. 1991

Efficacy and acceptability of Natural methods of contraception in Iran: Under secretary for research affairs MOH, IR 1992-3.

Mortalities and Morbidities due to unsafe abortion in Iran: Under-secretary for research affairs MOH, IR 1991.

Prophylactic antibiotic in normal vaginal delivery, Under-secretary for research affairs, SBUMS.1991

Trial of vaginal delivery following cesarean section with unknown uterine scar, Under-secretary for research affairs, SBUMS.1991-3

Incidence of Premenstrual tension in nurses; Under-secretary for research affairs, SBUMS.1991-3

Incidence of gestational diabetes in mothers attending at teaching hospitals in Tehran for prenatal care; SBMUS, 1992 co-investigator;

Evaluation of Physician-Patient relationship in teaching hospitals in Tehran; Under-secretary for research affairs, MOH, IR 1998.

Diagnostic accuracy of pelvic ultra sound in prediction of post menopausal bleeding; Under-secretary for research affairs, SBUMS; 1996

Trends in abortion, Under-secretary for research affairs, school of medicine, SBUMS. 2003-2004

Chromosomal abnormalities in POF (Collaboration with Endocrinology Research Centre); 2004- 2005

The role of pelvic sonography in primary amenorrhea (with Collaboration of Endocrinology Research Centre); 2005

Autoimmune endocrinopathies in POF(with Collaboration of Royan Institute); 2005.

The impact of medical malpractice sue on surgeons, with collaboration of Legal med. Org;

2005-6.

The effect of smoking on the fallopian tubes in Rat, Under-secretary for research affairs, school of medicine, SBUMS.2006-8

Mutation of Inhibin A Gene in POF (Collaboration with Endocrinology Research Centre); 2004-2007

Thyroid Dysfunction in POF; (Collaboration with Infertility and Reproduction Health Research Centre); 2007-8.

Outcome of pregnancy after IUD failure; 2012

Comparison of tranxamic acid and mefenamic acid in reducing of menstrual flow in IUD users in Tehran, Iran, 2012

Maternal Near-miss morbidity. Collaboration research with Uppsala University, IRHRC, SBMUS+ Uppsala University in Sweden 2012

Role of NLRP mutation in recurrent abortion, 2013 IRHRC, SBMUS

Role of NLRP mutation in Molar pregnancy, 2013 IRHRC, SBMUS
